

4-H CAMP 2025

Bell County had 71 attendees at 4-H Camp which is the third most participants all-time from the county. Over 90% of this year's campers attended 4-H Camp last year; a testament to the experience they had one year ago. Campers had the opportunity to participate in a variety of classes which included fishing, archery, riflery, climbing walls, zip lines, swimming, paddle boats, canoes, sports, nature classes and a multitude of crafting classes. With their attentiveness, engagement, and respectfulness, our youth represented themselves, and Bell County proudly.

To the volunteers, community, parents, and youth, this week would be impossible without the support of everyone! A special thank you to the following: **David Gibbons** and the **Bell County Bus Garage** for transportation to and from camp, **Bell County Schools Superintendent** and **Bell County School Board** for approving the use of school buses.

To our donors, because of you we are able to keep the price we ask from families low, and send campers to camp on scholarship. Your generosity changes lives!

4-H FAIR PROJECTS

This year's Bell County Fair is set to take place after the Kentucky State Fair. Due to the timing, we will be accepting 4-H submissions on July 23rd here at the office for a prejudging to send them to Louisville! If your youth is interested in submitting, please contact or visit our office for a guidelines catalog.
